| Gamblers Choice | Tony James |

The New South Wales Dressage and Cone Driving Championships were 6th May at Murrumbateman Sports Ground.

The venue proved to be superb with excellent facilities for both humans and horses with the greatest ingredient of all supplied by the weather which could not have been better.

Results are supplied and it was noted the standard of presentation which was first class and a credit to to competitors.

A Gamblers Choice Cone Competition was run in the afternoon which was well received by competitors and the public.

As a bonus quite a lot of enquiry was received from people interested in driving.

Garry Harris
