

## **Junior Driver Report for AGM Bathurst 17<sup>th</sup> June**

It is great to see members of juniors increasing as grooms and drivers at endurance events throughout the year .They take a great interest and are very competitive in such events.Thank you to the senior members who provide horses and ponies and their time for the juniors.Many junior drivers are competing in show and combined driving activities.Don't forget the junior drivers challenge to be held at Rossmore on 27<sup>th</sup> August conducted by the Hills ad Camden clubs.Many of our junior drivers are also competing in mini trotting.

Could clubs please contact me in regards to holiday training days for the juniors for their area.I am open to suggestions from interested clubs.I would like to also receive news items from other clubs about junior driving activities .
