

Pleasure and Endurance Report for the November 18th 2017 Meeting to be held in Bathurst.

The first two endurance events for the current year have been held. Round Hill in the July School holidays where 3 competitors in the full endure and 3 in the ½ half endure for horses, 2 in the large pony and 1 in the small pony sections.

The second event was held in the Spring Holidays at Marra ,it was conducted by the Reedy Creek Club, the weather was pleasant where 2 competitors in the full enduro ,5 in the ½ enduro for horses and 1 in large pony sections ,a mini 3 day enduro was held in conjunction with the full enduro competition. Competitors are very thankful to the clubs concerned for their professional manner in which the events are organised and conducted.

The next enduro event will be conducted by the Goulburn Club at Yalbraith on 27th -29th January 2018.Pleasure drivers are also welcome. Entry forms are available please see Robert or call 0427916524.

The Charity Drive that was organised by the Liverpool Range club was well attended with over 30 horses drawn vehicles taking part. The format was clover leaf for 3 days then drive to next camp for four more days, driving from the base was well accepted by members and visitors attending.

Several members of the Liverpool range club took part in the charge of Beersheba drive from Tabulum to Copemanhurst on 31st October to 4th November, members were invited to fill in the distance sheets for pleasure and endurance and club drivers as we now have the club challengers shield for the most klms travelled by the their club in the period January to December, the inaugural winner for 2016 was the Riverina Club with over 1600 klms recorded, sheets to be submitted to Robert by end of January 2018.The sheets are available on the NSW website
