

Show Driving Report for November Branch Meeting

Thanks to Jan Muspratt for her tireless work over the years as NSW Show Driving Convenor.

With winter well out of the way there have been a few ag shows with harness classes in their program and in most cases classes have been well supported.

The Southern Highlands Club are hosting the 2018 NSW Show Driving Championships in May at their home ground at Bundanoon.

The Hills and Camden Club have offered to host the 2018 Australian Show Driving Championships in November at Hawkesbury Showground in November. I support this offer and seek that the branch ratify this offer from these clubs at this meeting.

A show judge's school will be held mostly in the May/June period next year and hopefully another Heavy Harness school will also be held.

Even though entries have now closed Canberra Royal has expanded their harness program for the 2018 show and Sydney on the other hand have reduced their classes for the 2018 show.

Please feel free to contact me if you have any questions or ideas.

Wishing you a happy festive season and a successful new year.

Happy Driving.
