

## **Web and Facebook report AGM 2018**

The year has gone by very fast and the web site is now complete.

I am being sent the bi monthly the calendar updated from the Calendar coordinator. This is working very well in keeping all members updated and makes it easier to get programs etc. upload quicker.

Could clubs sending me programs/entry forms and Flyers in a PDF format put the name of the Events and dates on the saved title please? I get a lot that read “program and entry” only makes it hard to distinguish what event and which club.

The NSW Facebook site is a great members forum. I upload program as soon as I receive them if they are on the Calendar Coordinators calendar. Many members ask questions and all member contribute an answer to assist the best they can. This makes for a very informed result. Photos of event are loaded as the event and results are happening and I am sure very much appreciated by all ACDS members, some from other states.

I have nominated to continue as Web and Facebook coordinator for another year.
