

Mini CDE - Saturday 4 February 2023

Another Fun Day planned at Bundanoon in 2023!

This is not a formal CDE but a training day. It will contain each of the three elements - a dressage test, some cones and some obstacles. For those of you who will be attending Phil Marshall's clinic the previous week, it will give you the chance to put some of his guidance into practice. If you didn't attend then it's still a chance to give your equine an outing in a relaxed environment.

The morning session will have the dressage competition (Choice of two tests: [Beginners](#) or [ACDS Novice Test A \(2020\)](#)). Dress is informal but there will be a prize for the most original attire!

The afternoon session involves you driving a course of two marathon obstacles with cones combinations between (e.g. four cones followed by Obstacle 1 then another four cones and then on to Obstacle 2). This won't be a race and drivers may walk and /or trot throughout the course. Cantering strictly not allowed!! A secret optimum time will be set for each "Class" (pony/horse/combo) with the winner being the driver closest to that time.

We hope this format will provide something for all levels of driver - with experienced club members on hand to help if required.

Please note: You will need to select your dressage test and provide your bank transfer receipt details to be able to complete your entry.
