IMPORTANT NOTIFICATION TO ALL NSW MEMBERS
RE; NATIONALS AND STATE CDE CHAMPIONSHIPS 2027

The NSW Branch is rostered to host the 2027 National ACDS CDE Championships, the Branch Executive have been aware of this for the past 12 months and have been actively planning this 2027 National CDE Championships.

The decision to hold the Nationals at Boorowa Showground over Easter 2027 was chosen and Ellmore Driving Club was asked and agreed to co-host the Nationals with the NSW Branch Executive and Organising Committee assisting with the event including underwriting the vent and organising judges etc.

We have been in discussion with the local council for the past 6-7 months in relation to the camping and ground hire fee's charged by them in using Boorowa Showground, as this cost was extremely high and meant that to run the event was proving to be very unfinancial. This week after further discussions with the local council, we have come to an agreement with the local council as they have reduced their charges somewhat which allows the branch to proceed with the National CDE Championships over Easter 2027,

At the same time the NSW Branch Executive had not received any nominations from any NSW Clubs to host the 2027 NSW CDE Championships, so we had discussed running the NSW CDE Championships the weekend after the Nationals, this will give members 2 events over a 7 day period, also the grounds, obstacles, dressage arena and cones equipment etc will be on site which will reduce the required workload to host the 2027 NSW CDE Championships.

Another consideration taken was that in the past we have held a Members Gathering at Boorowa which is a great venue to do pleasure drives and unusual driving activities, so we will be hosting at the same time a Gathering for all driving and non-driving members to attend Boorowa, to collectively enjoy our sport, and at the same time celebrate 50 Years since the First Nationals CDE was held at the Dwyer's Property "Ellmore", in November 1977.

All the above when put together will be a great event, and obviously a big effort by Ellmore Driving Club and the NSW Branch Executive and organising committee.

Proposed Schedule (DRAFT) Level 1 and Level 3 Events
Boorowa Showground will be available from Thursday 25th March.

ACDS Nationals CDE –	Easter Saturday 27th March	(Trot out and Dressage)
	Easter Sunday 28th March	(Marathon)
